## Key Benefits

### Printed Books

- ✓ *Helps students succeed in classrooms and on the standardized tests*
- ✓ *Individualized instruction using 21st Century Tools*
- ✓ *Useful assessments to guide instruction aligned to the new CCSS*

### Test Designer

- ✓ *Helps educators easily create custom courses*
- ✓ *Allows collaboration among test authors and supervisors*
- ✓ *Print Booklets : High quality and cost effective printing*
- ✓ *Online Tests : Flexibility to administer tests online*
- ✓ *Content Framework : Access to CCSS aligned Lumos question bank*

### eLearning

- ✓ *3 Full-Length practice tests*
- ✓ *Workbooks with hundreds of practice questions*
- ✓ *Teacher Portal : Helps develop personalized plans*
- ✓ *Student Portal : Kid-friendly and interactive*
- ✓ *Aligned with the new Common Core State Standards*

## About Lumos Learning

Lumos Learning is a division of Lumos Information Services, a publisher of innovative tools that enhance classroom learning for children in grades K-12.

Using the Lumos Study Programs, parents and educators can reinforce the classroom learning experience for children and help them succeed in classrooms and on the standardized tests.

## About Our Teachers

A number of expert teachers have contributed to the development of the Lumos Study Programs. Their extensive experience with standardized tests and deep understanding of the Common Core State Standards provide the foundation for the Lumos Study Programs.

## About Our Customers

**Students Teachers Librarians Parents Tutors**

Schools: Summit Schools, Middlesex Schools, East Windsor Schools, Chester Schools, South Plainfield Schools, East Orange....

*"My daughter's grade increased from basic to proficient after using the Lumos program. Thank you very much."*  
- Ms. Christine, Parent, Grandview Elementary

*"Parents have been requesting materials to help their children prepare for NJ standardized tests and we are excited to be able to provide this service to them through Lumos Learning."* - Ms. Marna Elliott, Head of Youth Services, SCLS

## Create Lessons & Assessments Using Quill

Lumos Quill technology allows teachers and curriculum leads to rapidly create custom interactive lessons and assessments that supplement classroom learning. It helps educators collaborate to capture and centralize lesson plans and assessments and make them available to students in both print and eLearning format.

- ✓ Helps creation of custom assessments efficiently
- ✓ Print Services : High quality and cost effective printing
- ✓ Online Tests : Flexibility to administer tests online
- ✓ Content Framework : Access to Lumos question bank
- ✓ Allows collaboration among test authors and supervisors

# Grade 3 Resources

## Third Grade Success

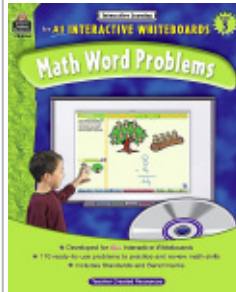

The motivating activities in this book can lead to academic success for students with various learning styles.

The wide range of activities can be used to introduce, reinforce, and review grade-specific skills in language arts, math, science, and social studies. Complete answer key is provided.

Product ID : LT-2573 Type : Book Price : \$18.99

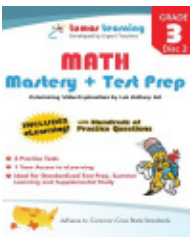

## Interactive Learning : Math Word Problems

Students are given the approach like using “manipulatives” to solve the problems. The 110 problems per book can be done as whole class activities, in small groups, or individually, on any brand of interactive whiteboard or individual computer.

Product ID : LT-3854 Type : Book Price : \$23.99 +CD

## Grade 3 Math - Mastery and Test Prep: Entertaining Videos and eLearning - Disc 1 & 2

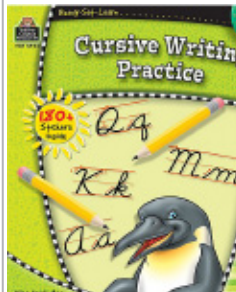

Entertaining Video Explanations to Practice Tests. In-depth coverage of multiple-choice, short constructed and extended constructed response questions. Aligned with the Common Core State Standards.

Plus One Year Access To eLearning

Product ID : L13101 Type : DVD Price : \$19.95  
Product ID : L13102 Type : DVD Price : \$19.95

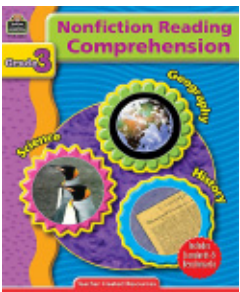

## Ready-Set-Learn : Cursive Writing Practice

The Ready-Set-Learn series has just what parents want : fun-filled activities to give their children a head start on learning the basic skills needed for success in school.

Product ID : LT-5942 Type : Book Price : \$3.49

## Non-Fiction Reading Comprehension

After reading brief nonfiction passages about science, geography, or history topics, students answer multiple-choice and short-answer questions to build seven essential comprehension skills.

Product ID : LT-3383 Type : Book Price : \$8.99

## Standards-Based Science Investigations

As they read about science, students develop content vocabulary and scientific fluency. By doing science experiments, students see science in action and gain a clearer understanding of scientific principles and properties.

## Nonfiction Reading Comprehension

After reading brief nonfiction passages about science, geography, or history topics, students answer multiple-choice and short-answer questions to build seven essential comprehension skills.

Product ID : LT-3384 Type : Book Price : \$8.99

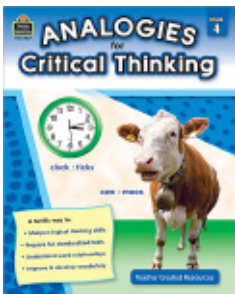

## Grade 4 Math - Mastery and Test Prep : Entertaining Videos and eLearning

Entertaining Video Explanations to Practice Tests. In-depth coverage of multiple-choice, short constructed and extended constructed response questions. Aligned with the Common Core State Standards.

Plus One Year Access To eLearning  
Product ID : L13103 Type : DVD Price : \$29.95

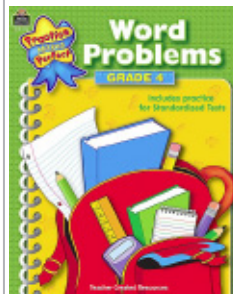

## Analogies For Critical Thinking

Approach analogies as puzzles. To solve them, students need to use cognitive processes and critical-thinking skills. The goal is to develop skills in visual imagery, reading comprehension, vocabulary development, reasoning, and test-taking.

Product ID : LT-3167 Type : Book Price : \$9.99

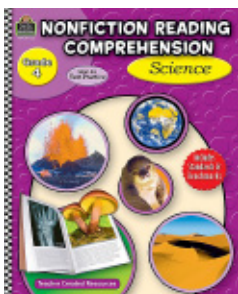

## Word Problems

This series helps students master skills in reading, mathematics, penmanship, writing, and grammar. Each book provides activities that are great for independent work in class, homework assignments, or extra practice to get ahead. Test practice pages are included!

Product ID : LT-3314 Type : Book Price : \$5.99

## Nonfiction Reading Comprehension : Science

Each story is followed by questions that cover main idea, detail, vocabulary, and critical reasoning. The format is similar to that of standardized test, so as students progress through the book's units, they are preparing for success in testing.

Product ID : LT-8022 Type : Book Price : \$16.99

## I Have, Who Has Language Arts Game

The entire class can have fun while practicing skills in language arts and math. Hand out all 37 cards. (Some players may get more than one card.) The student whose card reads, "I have the first card. Who has...?" begins. The student whose card has the answer to that question responds and then asks a different question.

Product ID : LT-7816 Type : Game Price : \$16.99
